ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Savings, Name Your Savings, Pick Your Payout, Advantage Money Market, Premier Money Market, IRA Money Market, Health Savings Account (HSA), KickBack™ Savings, and KickBack™ Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. For Escrow accounts, the dividend rate and annual percentage yield may change annually as determined by the Wisconsin Department of Financial Institutions. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Advantage Money Market, Premier Money Market, IRA Money Market, Health Savings Account (HSA), and KickBack™ Checking accounts are tiered rate accounts.

The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Advantage Money Market, Premier Money Market, IRA Money Market, and Health Savings Account (HSA) accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. For KickBack™ Checking accounts, each dividend rate will apply only to that portion of the account balance within each balance range.

2. KickBack™ Accounts — For all KickBack™ accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements, you must 1) make at least 14 POS or debit transactions that post and settle to your account before 7:00 pm on the last day of the calendar month 2) receive a minimum of one direct deposit 3) be enrolled in and receive e-statements. The monthly qualification cycle is defined as the period beginning on the first day of a calendar month and ending on the last day of a calendar month.

KickBack™ Savings. The KickBack™ Savings account is available only to holders of a KickBack™ Checking account. If you meet the minimum qualification

requirements you will receive the first dividend rate and annual percentage yield listed for the account in the Rate Schedule. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, you will receive the second dividend rate and annual percentage yield listed for the account in the Rate Schedule.

KickBack™ Checking. The KickBack™ Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply to balances of \$0.01 to \$10,000.00. The second dividend rate and annual percentage yield listed for this account will apply to balances of \$10,000.01 or greater. Each dividend rate will apply only to that portion of the account balance within each range. In addition, we will refund ATM surcharges up to a maximum total refund of \$15.00 per month. If you do not meet all of the minimum service requirements during the calendar month, the third dividend rate and annual percentage yield listed for this account will apply to the entire balance in the account and no ATM surcharges will be refunded to you.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Savings, Name Your Savings, Pick Your Payout, Advantage Money Market, Premier Money Market, IRA Money Market, Health Savings Account (HSA), KickBack™ Savings, KickBack™ Checking, and Escrow accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.
