

**Save to Win® 12-Month Certificate Account
Truth-In-Savings Disclosure
Effective date: April 1, 2023**

Save to Win Share Certificate: Each Save to Win® Certificate requires an initial deposit of \$25.00 and account holders may make additional deposits into that certificate throughout its term. The initial deposit and all subsequent deposits mature 12 months after the date that the initial deposit is made.

Dividend Rate: The dividend rate is 0.20% with an Annual Percentage Yield (APY) of 0.20%.

Rate Information: The annual percentage yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the rate and frequency of compounding for an annual period. For all accounts, the dividend rate and APY are fixed and will be in effect for the initial term of the accounts. For accounts subject to dividends compounding, the APY assumes that dividends will remain on deposit until maturity. Dividends will not be paid if the account is closed at any time prior to maturity. Withdrawals will reduce earnings.

Compounding and Crediting: Dividends on the 12-Month Save to Win® Certificate will be compounded and credited monthly.

Minimum Balance Requirements: The minimum balance requirement for the Certificate is **\$25.00** and account holders must maintain a regular share account with a minimum balance of **\$5.00**.

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day for the dividend period.

Accrual of Dividend: Dividends will begin to accrue on non-cash deposits (e.g., checks) on the business day you make the deposit to your account.

Early Withdrawal & Penalty: We may impose a \$25.00 penalty if you withdraw funds from your account before the maturity date of your Save to Win® Certificate. If the early withdrawal reduces the principal below the minimum balance, the Certificate will be closed. The credit union will deduct from the principal amount to cover the penalty.

Exceptions to Early Withdrawal Penalties: At our option, we may pay the account before maturity without imposing an early withdrawal penalty when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

Transaction Limitations: Additional deposits are allowed during the term of this Certificate. For every \$25.00 increase in month over month balance, the account holder will earn one entry (up to 100 entries per month/300 entries per quarter/1200 entries per year) into the **Save to Win®** Savings Promotion Raffle. The Savings Promotion Raffle begins on January 1 of the current year and ends December 31; however Certificates will mature 12 months after account opening. The Official Rules for the Savings Promotion Raffle can be found online at www.savetowin.org and are provided upon opening the Certificate.

Renewal Policy: This Certificate will automatically renew at maturity if the balance in the Save to Win Certificate is greater than \$25.00. The Certificate will renew as a 12-month Save to Win® Certificate at the current posted rate and APY. If the balance in the Certificate is less than \$25.00 or if account holders choose not to renew the Certificate, the funds will be transferred to the account holder's regular savings account at the credit union. You will receive a notice from the credit union **30 days** prior to your Certificate's maturity. You will have a **ten (10)** day grace period after maturity to withdraw funds without being charged an early withdrawal penalty.
